STEMUP

# These questions belong to AQA, not to us.

The examination questions, mark schemes and examiner reports in this pack were written and published by AQA. They are past assessment materials, reproduced here so that students can revise from them.

## What we do not own

STEMUP is not affiliated with AQA and does not own, and makes no claim to own, any of the question, mark scheme or examiner report material in this pack. AQA has not endorsed, approved or been involved in the production of it. AQA and the qualification titles used here belong to their respective owners and appear for identification only.

## Where to find the originals

AQA publishes its past papers, mark schemes and examiner reports free of charge. Always check the current specification at aqa.org.uk before you revise, because content and wording can change between series.

If you hold the rights to any material in this pack and would like it amended or removed, contact admin@stemup.co.uk and we will act on it.

## Q1.

John was arrested for fighting with supporters of a rival team after a football match. He explained to the police officer why he was aggressive. The police officer noted John's comments in her notebook. The table below shows some of John's comments.

| |
|---|
| The players were fighting on the pitch |
| Our team lost again – it's not fair |
| Supporters of the other team ganged up on us |
| I was with my mates – we were all punching at once |
| Everyone else was fighting, so I just joined in |

Discuss **one or more** social psychological explanations for aggression. Refer to some of the comments in the table above in your answer.

**(Total 16 marks)**

## Q2.

Describe and evaluate the social learning theory of human aggression.

**(Total 16 marks)**

## Q3.

Outline and evaluate **one** social psychological theory of aggression.

**(Total 16 marks)**
